Dear Sir:

This is a response to the Office Action dated November 17, 2005.

Applicant acknowledges the courtesy of the Examiner in discussing via telephone the Office Action and the filing dates of the instant patent application and the patent of Fan et al. (6,594,576), which was cited as making the instant invention unpatentable. In that discussion, the Applicant called attention to the fact that the patent of Fan et al. was filed after the original filing date of this application, which is December 8, 2000. The Examiner explained that he would withdraw the rejection in the Office Action and issue a new Official Action.

In view of the foregoing, Applicant respectfully requests review of the Office Action.

Respectfully submitted,
